川崎市民の皆さん、こんにちは。

このドキュメンタリー映画「最も過酷な年」を日本で上映してくれてありがとうございます！

無知と偏見に触発された差別的な法律が、私の故郷ワシントン州の子供と家族を脅かしていたとき、私はドキュメンタリー映画を制作しました。残念ながら、トランスジェンダーの人々に対する差別の波は終わっておらず、日本を含む世界各地で起きていることを知っています。私は、知識、思いやり、教育によって、トランスジェンダーの人々に対する無知と差別の暗い波を打ち消すことができると確信しています。トランスジェンダーの子どもと大人は、私たち全員が共に立ち上がり、彼らのために声を上げることを必要としています。

Hello Kawasaki residents,

Thank you for screening this documentary film, "THE MOST DANGEROUS YEAR", in your city!

I made my documentary film at a time when discriminatory laws inspired by ignorance and bigotry were threatening my own child and my family in my home state of Washington. Sadly, this wave of discrimination against transgender people is far from over and I am well aware that it is being fought in many places around the world, including Japan. I am confident that with knowledge, compassion, and education we will defeat this dark wave of ignorance and discrimination against transgender people, just like we have been steadily defeating discrimination against other innocent minority groups throughout our history. Transgender children and adults need us all to stand up with them and speak up for them; for their rights and their safety.

Sincerely,

Vlada Knowlton
